#### Class Letter Books

We will be making a classroom book for every letter this year. Every child can participate in the making of our classroom books by sending pictures of things that start with the letter we are working on.

This week will be **letter 'K'**. Please send these pictures in by Friday. The picture(s) can be cut from an old magazine. They can print the letter 'K' or draw a picture of something that begins with that letter. Thank you!

Please remember that we are a **peanut free** facility.

We finished up letter 'M' this week. We had fun painting with marshmallows, exploring the classroom with magnets and seeing where they stuck. We looked, felt and made different patterns with red, yellow and green apples. We even had a taste test. I think the sour green apple was the favorite! Some of us were even surprised to see a "yellow" apple!

The children are working hard in their workbooks and doing quite well. (If you would like to look at your child's workbook, please feel free to anytime before or after class.).
