

First, I would like to thank everyone for all of the Valentine treats and cards we shared on Valentine's Day. I think we all felt so loved.

Wow! March is here. "Out like a lion and in like a lamb," or vice versa? We sure do have a busy month! We will be getting ready for a little St. Patrick's Day celebration in the classroom. This will not be a big party, but we will be celebrating it by decorating cookies and making a craft on Wednesday, March 17<sup>th</sup>.

I could use some help with cookies, sprinkles, candy decorations and green table cloths (2 plastic). We still have a large container of icing left from our last party, so we will have plenty.

There will be a sign-up sheet on the door, or you can e-mail what you would like to send in.
