Wednesday: Computer Lab  
Friday: Art

\*Art starts this week and will be every-other Friday.

### Notes from Mrs. Rudy

#### Apples

Over the next couple of weeks we will be incorporating apples into our week. **I would like for each child to bring in an apple by this Friday.** We will be sorting, counting, graphing and tasting apples on Friday.

#### Homework starts this week!

The homework assignments and any worksheets will be put in the left pocket of your child's folder on Mondays.

Monday's and Wednesday's homework will involve a reading book and your child's journal. These will be sent home in a zip-lock bag only on Mondays and Wednesdays and **they MUST be returned the next day to school for use in the classroom.**

Besides completing each assignment nightly, please review the sight words nightly also. Putting the words on index cards works quite well.

#### **Assessments**

We will start assessing the children for reading groups. I will send home copies of this upon completion.
