Comments & Reminders:

- Class Letter Books. This week we will begin letter 'W'. Any or all letters from previous weeks are still welcome!
- We had a great time with the letter 'G' last week. We finally tasted our coconut and it was determined that the class doesn't care for coconut juice or coconut meat! We practiced our counting skills by shopping in our "grocery store" and paying with golden coins!
- Weather permitting; we will try to go outside for a few minutes. Please make sure your child has a jacket.
- As we begin getting closer to becoming kindergarteners, please encourage your child to try to unpack their folders, put on, zip and hang up their jackets by themselves. The more practice and confidence they gain using these skills will help them next year.
- Please remember that we are a **peanut free** facility.
- If you have any questions or concerns, please feel free to contact me via e-mail or by phone.
