

A NOTE FROM THE TEACHERS

Dear Parents,

Wednesday night is our Christmas program at 6:30. Please have the children in the room by 6:15. Boys remember to wear shepherd headdress.

Please remember to have your child's gift for the gift exchange in the classroom on Wednesday. The party and gift exchange is on Friday beginning at 10:15. We look forward to seeing you there. Let me know if what you were asked to provide is a problem for you.

Friday is the last day of school before Christmas break. Two of our friends, Scott and Robert, will be moving and will not be returning after the break. Mrs. Pearston and I are sad to see them go and they will be missed. We wish both these families well. We pray for them and trust that God will give them smooth transitions to their new homes.

Wishing you all a Merry Christmas and asking God to bless you in 2012.
