Christmas is in the air and we have so many fun activities planned and projects to be a part of.

First, we had a wonderful Thanksgiving Feast! Thanks to everyone for the great food and fellowship. I believe the children really enjoyed it as well as Ms. Monica and me.

This year we will be participating in a Christmas – Service Project, Door Decorating contest, Performance, and Party!

The Christmas Service Project is to help those less fortunate. We have picked the “infants needs” to focus on in our class. If you would like to participate, please send in any item you feel an infant may need by December 16<sup>th</sup>.

Next is our Christmas Door Contest. Our door theme is “Toys for Tots”. Each child is asked to send in a wrapped dollar toy to contribute. The children will have the experience of making someone else happy through “giving” which will be our topic for letter “G”.

Lastly, we will be a part of a Christmas Program on Dec. 14<sup>th</sup> at 6:30. Please bring in a finger food for the reception to follow. Our Christmas Party will be the

following day at 10:00. More information will be sent home later.
