

February 4, 2012

Well hard to believe that we have finished our first week in February already! Time is just flying by and before you know it the school year will be over :(This week we will be introducing the letter "R" and talking about words that start with that letter sound such as: red, raindrops and rainbows, rectangles and relay races. Our nursery rhyme this week will be "Row, Row, Row your boat". We will start to practice for our nursery rhyme play that we put on

at the end of the school year.

Regarding Valentine's Day please remember that your child will need to bring in 8 valentine's to pass out that day- they should only be signed from your child- do no address them it will make them easier for your child to hand out their valentines themselves. Lia's mom has offered to send in frosting in sprinkles- is there anyone who will be will to send in the cookies. Also I forgot to put down last time but if anyone would like to send in some small little plates it would be greatly appreciated. Just let me know if you are will to do any of these.

Also we will be having our "Drive In Movie Day" on March 13th. Please work with your child to create a car from a cardboard box. The only rule is that the child must be able to move the car themselves. We will be having a small parade with the other classes and then on for some games and a movie. Parents are welcome and encouraged to attend this fun day. More details will go home regarding this event as it gets closer.

I hope everyone has a wonderful weekend. See you next week.

Ms. Jodi & Ms. Christine
