

January 16, 2012

Lots more vehicle fun planned this week. Please see the attached Weekly News and Lessons for all the details.

Kindergarten Builds an Ark

A Note from the Teacher:

Jennifer Polaski

Our Ark is amazing! The children had such fun planning and creating the ark. It really has made the story of Noah come alive. This week we are practicing for a Shared Reading of the Noah Story. **We'd like to invite you in on Friday at 12:45pm to hear the story. Please just meet us by the ark in the front lobby at 12:45.**

Report Card Envelopes

If you haven't already, please sign and return the white report card envelope ASAP. This serves as a record that you received the December report card and I will need the envelope for the narrative progress report I will send in March.

Homework

Workbook bags and Rainbow projects are due tomorrow. Some beautiful rainbows have already come in - the children are so excited to see what "materials" everyone used to create their rainbow. New Letter bags will go home tomorrow.

Kindergarten Information Night

I will be hosting a Kindergarten Information Night on January 31st. If you know anyone who might be interested in hearing more about our program, please feel free to forward the attached invitation to them. (Current 4's families here at CBC will receive an invitation.)

As always - thank you so much for your support.

Jennifer
