NOTE:

The children will be exchanging valentines in class. There are 16 students in the class so please provide a valentine for each one. Please only sign the valentine from your child leaving who it is for blank, this makes it much easier when the child delivers the valentines to their friends. We will be doing a craft that day also but there is no party scheduled.

Registration for next year has begun for in-house students on February 2nd. It is open to the public on March 1st. We will be having some Open House dates so that you may observe how the classrooms run.
