## A Look At The Week ending: March 6

Theme: "W"

I hope you are all enjoying this beautiful weather. It's hard to believe we had a snow day last Monday! Because of the snow day and the fact that we only had two days of school, we'll be continuing with letter "W" this week!!

We had Bible story with Mrs. Corwin's and Mrs. Murphy's class. Mrs. Clifford told the story of when Jesus walked on water. . . She brought props and created wind and sea spray. The children were enthralled. We will alternate between our rooms for the remainder of the year.

## Upcoming Attractions

We will continue tracking our weather during the month of March (In like a Lion and out like a Lamb?) We talked about wind and this week we will talk about precipitation.

We are going to continue reading Dr. Seuss books this entire month! These books give us a great opportunity to study rhyming words, word families (at, ap, ack, eel, ock), sequencing, beginning estimation.

Last week we read "The Cat In The Hat" and this week we will read "One Fish, Two Fish, Red Fish, Blue Fish" We will fish for rhyming words, model patterns and estimate.

The children will hear the story "Mrs. McNosh hangs out her wash" and they will hang some wash on our clothes line. This will be great fine motor exercise.
