We read "God Thinks You're Special" by Max Lucado which Wesley brought in and "Me First".

Arts / Crafts:

The children worked hard getting their Dalmatian Dogs finished with all their spots. Since they all counted so high they had to come up with some creative places for the spots!

Science

The children looked through a Scholastic magazine which dealt with where animals live in the winter. They identified and counted where a variety of animals spend their winter.

What's Happening this Week!

It will be another busy week for our kids! We will start the letter C by identifying objects from the letter bag and doing pages in our workbook. We will be making Joseph's coat of many colors and reading his story. We will cover President's Day; who are the Presidents we celebrate and why. We will decorate our Valentine Gift Bags and gear up for the giving of the Valentine Cards! Please remember to have each of the children's names on the card so they can practice name recognition when they pass them out! If you choose to embellish the card please make sure no peanut products are used. Thank You!
