

A Note from the Teacher:

Jennifer Polaski

Happy Fall!

This week we will begin our "Water, Water, Everywhere" theme. Many fun learning experiences are planned - see the attached Weekly Lesson Plan for all the details.

Say Cheese!

Photos will be taken Monday October 10 (weather permitting). Siblings are welcome to join in the photo opportunity.

Postcards

We've already received 9 postcards! The children are very excited. It is a great project to introduce our 50 Nifty United States. We've already started tallying the cards and as the numbers grow, we will practice counting our cards in groups of 5 and groups of 10. Keep spreading the word!

Homework

Please return Homework Letter Bags and Ziplock Homework Bags. Be sure to put the worksheet from the letter bag in the Ziplock Homework Bag. Look for this week's assignment and bag in your child's backpack tomorrow.
