

## Ms. Bobbie and Ms. Jodi's 3 year old classroom

This year we will be working on an alphabet based theme/curriculum. We will be introducing animals and themes through alliteration. We will also incorporate science into our themes. Here is an idea of how our classroom runs:

- 8:55- 9:05      **Morning Check-In:** parents may either walk their child in or use the drop off lane
- 9:05–9:25      **Arrival activities:** tracing, cutting, play dough, puzzles, watercolor and one on one manipulative with the teacher
- 9:25- 9:55      **Circle Time:** pledge, weather, calendar, prayer, nursery rhyme of the week, story time along with music and finger plays and activities that coincide with our theme
- 9:55-10:30      **Board and Table Time:** learning activities with board work to reinforce capital letters and number recognition (1-10). We also focus on learning objectives such as sequencing, patterning, rhyming, opposites, color and shapes along with worksheets for group learning.
- 10:15 - 10:30      Once a week we meet with Pastor Kevin for Bible time
- 10:30 – 10:50      **Snack time:** followed by library time for quiet reading
- 10:50 – 11:35      **Centers and Free Time:** Free time is center based where the children will be assigned to small groups where they will do activities that go with weekly theme. Examples are dramatic play, puzzles and hands on manipulative. Arts and crafts will be done during this time on various days. If weather permits we will go outside to the playground or use the gym.
- 11:35 – 11:45      **Review:** mini circle time to review what was learned during the day and prepare for dismissal.
- 11:45 - 12:00      **Dismissal**
