

December News 2009

We had a wonderful Thanksgiving Feast! Thanks to everyone for the great food and wonderful gathering. I believe the children really enjoyed it as well as me.

Our next party is right around the corner, December 18th at 10:00. The children will be performing two songs for our class before we start the party, so dress them in Christmas colors and be on time. 😊

The party sheet for this event will be up on the door by Friday December 4th.

This month we will be learning what number Button Bear is hiding and where did Itchy Inchworm go with Amber Lamb.

Our monthly projects will include making and counting snowflakes, decorating gingerbread men and trees, lacing a stocking, and making a nativity scene.

Animal Alphabet:

Hh-Homer Hoarse
Ii-Itchy Inchworm
